**Scholastic
Shooting
Sports** 
Foundation

**asks you to
support SCTP through AIC**

It's Simple...

It's Easy...

and

It's at NO Cost to You!

We're counting on you!

The mission of the Scholastic Clay Target Program is to introduce youth in grades 12 and under to clay target sports and to facilitate their continued involvement in shooting sports. Our purpose is to provide a positive and supportive program by assisting young athletes in their growth and development so they become productive and contributing.

SCTP is focused on providing, promoting and perpetuating opportunities for young athletes to safely and enjoyably participate in high-quality, team-based sports. Led by trained and dedicated adult coaches, these athletes become the foundation of society and the cornerstone of all clay shooting disciplines for years to come.

All I Can is an organization created to help offset the cost of youth participating in SCTP. AIC is a provider of an innovative payment method that is no cost to you. By transferring your company's credit card processing to AIC from your current service provider, we will donate 25% of the profit from each and every transaction to support youth participation in SCTP. It is simple, easy and no cost to you because:

- You pay no transfer fees
- Your transaction fees will never be greater than what you are currently paying
- There is no long term contract
- AIC will virtually do all the paperwork

We are simply asking you to let us provide a service which you already are paying for, and by doing so, you will be supporting SCTP and the youth of tomorrow.

The Scholastic Shooting Sports Foundation is an educational-athletic organization that exists to introduce school-age youth to clay target sports. SSSF facilitates youths continued involvement by providing, promoting and perpetuating opportunities to safely and enjoyably participate and compete in a high-quality, team-based sport. These activities are led by trained adult coaches focused on enhancing the personal growth and development of their athletes through the Scholastic Clay Target Program (SCTP).
