

SCTP.....*athletes serving America!*

The SCTP would like your help in something we are putting together to honor our former SCTP athletes that have gone on and are serving our country!!

SCTP.....*athletes serving America*, will be an accumulative web page and newsletter honoring our SCTP athletes that we will keep updating as we get the information from you.

Please send your Director of Development or National Office the following information so that we may update our records and give our young men and women the recognition they deserve:

- Athletes Full Name
- Branch of Military (any branch including National Guard, Coast Guard, Military Academies, etc.)
- State of Residence as an SCTP athlete
- Possible month of enlistment

Please help us in recognizing the athletes that are making a great sacrifice in protecting our country, our rights and our freedom!

Thank You for your help!
