# READY. AIM. GROW.

Scholastic Shooting Sports Foundation (SSSF) is the leader in youth development shooting sports programs in the USA. Through a combination of education and athletics, we enhance the growth and personal development of student athletes from elementary school through college, throughout the nation. We provide a supportive environment where team-based shooting sports serve as catalysts for teaching life lessons and skills that emphasize positive character traits and citizenship values.

With your assistance, we can continue to encourage and support more of today's youth, helping them leverage team-based sports to develop and grow.

## OUR PROGRAMS

Scholastic Clay Target Program (SCTP) provides kids from elementary grades through high school and college with the opportunity to participate in the fun and challenging sports of Trap, Skeet and Sporting Clays, as well as the Olympic disciplines of Bunker Trap, Trap Doubles and International Skeet.

Scholastic Pistol Program (SPP) provides student athletes the challenge and excitement of action pistol speed shooting, a sport like no other, and offers an absolutely level playing field across genders and age.

SCTP and SPP are official feeder programs to USA Shooting and a path to the U.S. Olympic shooting teams.

You can help SSSF develop youth shooters into the leaders of tomorrow and the stewards of our Second Amendment rights.

As SSSF Honorary Fundraising Chairperson, Olympic Gold Medalist Kim Rhode endorses and supports our efforts. Kim is an alumna of our SCTP program and a member of our Champion's Roundtable.

Larry and Brenda Potterfield, owners of Midway USA, are Diamond Founding Life Members of the Champion's Roundtable and Charter Members of our Legacy Society in recognition of their wonderful generosity.

Please join them in support of SSSF and our mission.

Through the valued contributions of supporters like you, we can fulfill our goals of increasing participation in our invaluable programs and helping to develop today's youth into tomorrow's leaders.
