- ENTRY:** Athletes may shoot in more than one state shoot, but only the scores from the first state match will be accepted. NO EXCEPTIONS. State hosts must be notified by the shooter prior to the match if they have already competed in a state championship. Juniors from states which are not holding a state JOSOC and those who cannot attend their own state JOSOC will be allowed to enter the at-large division in another state. At entry, non-resident juniors must declare that they are shooting for an at-large invitation. Residents may choose to enter the At-Large category instead of the Resident Qualifier category if they are confident they can shoot above the qualifying score and secure an invitation.
