A Legacy of Shooting Innovation.

The Scholastic Clay Targets Program (S.C.T.P.) provides athletes from elementary thru college with the opportunity to participate in the sports of Trap, Skeet, Sporting Clay, as well as Bunker Trap, Trap Doubles and International Skeet. S.S.F. (the governing body of S.C.T.P.) serves as a feeder program to USA Shooting as well as a pathway to the U.S. Olympic Shooting Team. All proceeds from S.C.T.P. National and Regional banquets raise funds to enhance our Scholarship program as well as other youth programs we support throughout the year.
