

2017**YOUTH
TOUR****NSSA-NSCA-SCTP**

The 2017 shoot year is the inaugural year of our new NSSA/NSCA-SCTP program. Not only will we recognize our top SCTP shooters shooting NSSA and NSCA events at the end of the shoot year, but we have also introduced an NSSA/NSCA-SCTP TOUR to promote our new recognition program. SCTP participants will be able to compete for awards at these events while also being able to experience the environment and excitement of our top skeet and sporting clays tournaments.
