Shooting Sports Invitational

February 17, 2018 • 11:30am - 5pm

Are you tough enough to brave the cold? If you are, join us at Hunters Pointe near Humboldt, SD during Pheasant Fest & Quail Classic for the 2018 Shooting Sports Invitational. We hope to provide you with hands on training and resources to help improve you and your team. We will be hosting "on range" training sessions to help with your mental game, pre-season preparation, funding, and coaching.

New this year, we will be on the range live firing guns under the instruction of experts. **Dave Miller** of **CZUSA** will be teaching on the Sporting Clays Range. **Mark and Sally Stevens** of the **Minnesota Youth Shotgun Association** will be teaching on the Trap Range, and **Rick Leach** of the **Scholastic Shooting Sports Foundation** will be leading those interested on the Pistol and Rifle Range showcasing the Scholastic Action Shooting Program. Conservation and its relationship with shooting sports will also be discussed on each range.

Your team will also earn an extra \$1,500 for your MidwayUSA Endowment account by attending the training **and** signing up for a Special PF/QF MidwayUSA Foundation fundraising package. Register today as spaces are very limited and make plans to learn from industry professionals!
