ABOUT SSSF
The Scholastic Shooting Sports Foundation (SSSF) is the leader in Youth Development Shooting Sports Programs. Using a combination of education and athletics, we work to enhance the growth and personal development of student athletes throughout the nation. Through a variety of fun, team-based shooting tournaments in both our Scholastic Clay Target Program (SCTP) and Scholastic Action Shooting Program (SASP), we provide student athletes aged elementary through college with a supportive environment where shooting sports serve as catalysts for teaching life lessons and skills that emphasize positive character traits and citizenship values. Throughout all training, practice and competitions, we continue to instill in our participants a commitment to safe firearm handling, teamwork and leadership.

MISSION STATEMENT
The Scholastic Shooting Sports Foundation is an educational-athletic organization that exists to introduce school-age youths to the shooting sports and to facilitate their continued involvement by providing, promoting, and perpetuating opportunities to safely and enjoyably participate and compete in a high-quality, team-based sport led by trained adult coaches focused on enhancing the personal growth and development of their athletes.

SPONSORSHIP
At the Scholastic Shooting Sports Foundation (SSSF), we believe that today’s youth are tomorrow’s leaders. Our goal is to introduce youth shooting sports to as many of today’s youth as possible, helping them use sports to develop and grow. To assist us in achieving this goal, we need your help. Your Sponsorship of the Scholastic Shooting Sports Foundation, a 501(c)(3) non-profit foundation, will help us to continue to grow both the Scholastic Clay Target Program (SCTP) and the Scholastic Action Shooting Program (SASP).

- 2016: 17,625
- 2017: 35,250

**SCTP & SASP Growth from 2013 to Present**
For the benefit of youth, it is singularly the best platform available to bring a year-long, structured program of shooting opportunities that involve individual performance and improvement, while reflecting the importance of team participation and performance and continually striving for excellence. The program offers GLOCK the ability to introduce, market and develop brand loyalty during a particularly important time in a young man’s or woman’s competitive shooting discovery. The efforts of the Scholastic Shooting Sports Foundation and the Scholastic Action Shooting Program, allow anyone in the industry the ability to contribute to the future of the shooting sports by financially supporting the efforts of a few to support the ambitions of many.

    Ed Fitzgerald, Special Projects Manager, GLOCK

Our youngest generation has spent more time online than they have outside. Getting kids engaged with the outdoors is a priority for our agency and shooting sports has proven to be a successful tool for reaching Iowa’s youth.

    Chuck Gipp, Director for the Iowa Department of Natural Resources

The program is safe, fun, and keeps our teenage, co-ed youths active and engaged. Our parents and sponsors strongly support us teaching youth the safe, responsible enjoyment of shooting sports, and they increased financial support so we can expand our program. We built five new ranges to fully take advantage of the interest!

    Eric Tarbox, Scout Executive/CEO, BOY SCOUTS

I very much enjoy and am appreciative of the professional instruction my boys are receiving. It’s much more so than I am qualified to provide. The quality of the instruction—at least in our club—is outstanding. From a cost perspective, it is very reasonable.

    Gregory S., Michigan

I enjoy the opportunity that SCTP gives not only through local tournaments, but also through regional and National tournaments for all age levels through college.

    Cherie E., South Carolina

My daughter began shooting SCTP last year and she was introduced to dove hunting because of it. She was very successful with dove hunting, and a month later she shot a cow elk through Arizona’s youth draw program. I truly believe that if it wasn’t for SCTP clay shooting she would not be a hunter today. I am very proud of her!

    James L., Arizona

It teaches marksmanship skills to youth and promotes their participation in hunting and outdoor-related activities.

    Matthew C., Tennessee

SCTP/SASP programs involve youths who may never have had an opportunity to learn firearm safety and be involved in being part of a team that promotes teamwork, leadership, responsibility and self-confidence. It is one of the best programs to develop youths into responsible adults and [support] character development that will serve them a lifetime. It also does away with the myth of generation gap and improves the importance of goal setting.

    Allen B., Tennessee
## SCTP PROGRAM SPONSORSHIP OPPORTUNITIES
