Why Join the SASP?

The SASP is a **National** Youth Shooting Program focused on "Team"! There is no room for the win at all cost attitude. Much like football, baseball, basketball and track, we help build school teams and conferences across the country and have been doing this since 2012 when it started under the Scholastic Shooting Sports Foundation (SSSF).

We have athletes and coaches from all across the country participating in our program. Our teams are led by certified coaches and we carry a 5 million dollar Liability policy on ALL of our members!

Please see the list below of all the opportunities we offer our teams, athletes, and coaches!

- \$5,000,000 Liability Policy that can include the school as an "also insured".
- COMPLETE Background checks! The SASP does a comprehensive background check on every coach!
- Coach Training....most of the SASP coaches are certified Level I NRA/USAS/CMP Pistol Coaches
- Shooting year that runs from September 1 through August 31.
- Athletes beginning in Grades 6-12 and college students can participate in our pistol program. Our rifle program begins with athletes in Grades 5 and under and continues through college like our pistol program. (Depending on federal, state and local range requirements.)
- Local, State, Regional, National and Virtual Match Championships take place.
- The SASP is the "official" youth shooting program to Team USA and USA Shooting.
- Junior Olympic Development Camps (JODCs).
- We provide money to SASP Team endowment accounts through the MidwayUSA Foundation.
- Raffle, new team start-up packages, banquet packages available through us which help teams raise funds.
- Industry sponsored "special" gun prices for SASP teams and athletes.
- Industry sponsored "special" ammo prices for SASP teams and athletes.
- A registration and scoring system for all of our teams and coaches to use and track athletes.
- The SASP gives out scholarships to its athletes graduating from high school.
- Prizes! SASP gives guns at our national championships!
- We have partnerships with conservation groups like Pheasants Forever and the National Wild Turkey Federation to help support local teams.
- And much, much more.....

You can be part of any and all other youth programs, the SASP does not discriminate!

We hope that you will consider being part of one of the largest youth shooting sports programs in the world, the Scholastic Action Shooting Program! We welcome you to contact us with any questions you might have! Please check out some of our sponsors on the following page.
