

Dear Youth Shooting Sports Leader-

Consistent with our deep commitment to training the next generation of hunters and shooters to be safe and proficient, we will offer a limited youth shotshell program to approved organizations. This is for ammo to be used in youth programs exclusively, and is not for resale.

We are accepting youth shotshell orders December 15, 2019 to April 30, 2020.

We encourage applicants to have their local program listed on the Youth Shooting Sports Alliance Directory, <http://www.youthshootingssa.com/add-new-program/>. It is free to register.

No maximum or minimum quantity restrictions on the number of cases you order. However, a full pallet of 12 gauge contains 120 cases and a full pallet of 20 gauge contains 144 so please use these case quantities when placing larger orders. If you have any questions please contact jon.zinnel@vistaoutdoor.com.

Limited to approved youth shooting sports education organizations: 4H Shooting Sports, SCTP, AIM, Boy Scouts, FFA Shooting Sports, ACUI, USAYESS, High School Shooting Sports Programs, Collegiate programs. Others reviewed on a case by case basis. One order per organization, no individual shooter orders.

If you are exempt from sales tax, you must include a State Sales Tax Exemption Certificate. Otherwise you must pay the state and local sales tax rate based on the “ship to” address.

This is a pre-pay program, we prefer orders to be paid by credit card so please provide the best phone number to reach you and our Customer Service Team will contact you for payment information. We will still accept orders paid by check but please note; this may delay your order due to additional time to process the check payment.

There is no additional shipping charge, **but you are responsible for additional unloading fees (inside delivery, fork rental, etc.). Make sure your facility can handle receiving pallets (fork).**
