PRESIDENT'S LETTER

To all athletes, parents, coaches, state advisors, and supporters who have traveled near and far; Welcome everyone to the 2021 SSSF National Championships! The SSSF board of directors, staff and everyone involved in this wonderful event are glad to be back at the Cardinal Center with last year's pandemic in the rear-view mirror!

While we celebrate the new normal this summer, the SSSF family also mourns the recent loss of the great Jack Fishburn, founder of the Cardinal Campground and Shooting Center. Mr. Fishburn had extraordinary vision for the future of youth development through the shooting sports and was responsible for the vast and diverse facility this event enjoys today and for the future. Please join us on Wednesday in wearing a red ribbon to honor the memory of Mr. Fishburn.

At the time of this writing, the SCTP and SASP nationals have set new record attendance and event participation with a combined total of 3,629 athletes and 10,113 event entries. Thank YOU for being part of this tremendous bounce-back from the pandemic and return to the range!

Our thanks also go out to all the sponsors, donors and industry partners we have supporting our programs and foundation, especially in a year where ammunition is scarce. Special thanks go out to Larry and Brenda Potterfield for their continued, generous support of the SSSF and our programs. Chances are your team has benefited directly from Larry and Brenda through the MidwayUSA Foundation. Please take the time to stop by and talk to the MidwayUSA Foundation program staff throughout the week.

In addition to all the competition shooting events we also have several special events to participate in. Opening ceremonies will be Wednesday night at the grandstands with the parade of teams and recognition of scholarship recipients and all scholastic team members.

Check out all the other fun demos and shooting sports side events around the complex, plus vendor row during your down-time. Be sure to stop into the newly expanded SCTP/SASP store to get your official event shirts and other swag.

Friday is College Recruiting Day on vendor's row. College representatives will be on hand to discuss education and shooting opportunities beyond high school and answer any questions you might have. New this year are the SASP international rifle and pistol disciplines. Stop by the rifle and pistol ranges to learn more about how you can participate in these Olympic-style events.

The best way to stay updated on news and other opportunities throughout the event is by joining our text messaging list. Simply text SSSFnationals to (877) 617-6454 to sign up.

Please stop in during your downtime to see and thank all the vendors who have come to Marengo to support your National Championship event. The vendor shops at the Cardinal Center will be open and are sure to have everything you need AND everything you want!

I hope you enjoy your time at YOUR National Championships! We are glad you are here! Please be sure to share some of those special moments in your social media posts by tagging them with #SCTPNationals2021 and #SASPNationals2021.

Best of luck to all competitors - be safe and have fun!

As the owner of the Cardinal Shooting Center, Jack Fishburn supported the Scholastic Clay Target Program and Scholastic Action Shooting Program like no other. He was very instrumental in making sure our programs had a place we could call "home".

We will miss him tremendously but his legacy will live on in the Cardinal Shooting Center that Jack built. Nationals is confirmed to be the biggest year yet for both programs and we know Jack would be proud.

"you keep bringing the kids, we will keep building it...."
