PRESIDENT'S LETTER

Greetings and welcome to your 2022 SSSF National Championships! The SSSF board of directors, staff and everyone involved in this wonderful event are glad to be back at the Cardinal Center for what is shaping up to be another record attendance year! At the time this program is going to press, the SCTP and SASP nationals have yet again set new records for attendance and event participation with a combined total of over 4,000 participating athletes and over 10,000 event entries. Thank YOU for your commitment in attending despite ever increasing costs in this inflationary year.

Our thanks also go out to all the sponsors, donors, and industry partners we have supporting our programs and foundation. We could not conduct such quality programs and championship events without all your support. Be sure to take some time to visit with all our sponsors and partners who have a presence at the event and thank them for their support. While on vendor row, be sure to stop into the SCTP/SASP store to get your official event shirts and other swag. The vendor shops at the Cardinal Center will be open and are sure to have everything you need and more!

In addition to all the competition shooting events we also have several special events to participate in. Opening ceremonies will be Wednesday night at the grandstands with the parade of teams, recognition of scholarship recipients and all scholastic team members plus some special guests.

There will be lots happening through the week and the best way to stay updated on news and other opportunities throughout the event is by joining our text messaging list. Simply text SSSFnationals to 877-617-6454 to sign up. I hope you enjoy your time at YOUR National Championships! We are glad you are here! Please be sure to share some of those special moments in your social media posts by tagging them with #SCTPNationals2022 and #SASPNationals2022.

Again, thank you for choosing to spend part of your summer with us in Ohio! We appreciate your participation in our programs!

Best of luck to all competitors – be safe and have fun!

As the owner of the Cardinal Shooting Center, Jack Fishburn supported the Scholastic Clay Target Program and Scholastic Action Shooting Program like no other. He was very instrumental in making sure our programs had a place we could call "home".

We will miss him tremendously but his legacy will live on in the Cardinal Shooting Center that Jack built. Nationals is confirmed to be the biggest year yet for both programs and we know Jack would be proud.

"you keep bringing the kids, we will keep building it...."
